

Dear Student:

Welcome to "Know Before You Go", the Utah off-highway vehicle education program. The Utah Division of Parks and Recreation congratulates you for taking the first step towards becoming a safer and more responsible OHV rider. By studying and using the information you will learn in the "Snowmobile Safety and You" Student Manual (which will be sent to you after we receive your application and fee) and in your snowmobile safety class, you can help make the sport of snowmobiling safer and more fun for everyone!

When you receive your student manual, please carefully read and study each chapter. Have your parents help you understand this material. Take the quizzes at the end of each chapter. These questions are similar to the questions on the written test you will take the day of your class. Also, study the other material which accompanies the workbook. When you are ready to take your snowmobile class, call our office at

1-800-OHV-RIDE (1-800-648-7433) to schedule your class.

On the day of your class, you will take a 50 question true/false written test on the material presented in class and in the student manual. You must answer at least 35 questions correctly in order to pass. If you don't pass, you will need to study the material again and retake the test on another day.

Are you ready? Here are some things you need to do now to obtain your OHV Safety Certificate:

1. Complete the enclosed application and return it to our office as soon as possible. Include your fee of \$10, with checks made out to the Utah State Parks OHV Education. Up to four students from a family can register together on one application.
2. Study the workbook and other information. When you are ready to take your class, call our office (1-800-648-7433 or 538-7433 in Salt Lake City) to register for a class near you.
3. Have your parent or legal guardian bring you to the class. Your parent/adult will need to sign a Parental Consent Form and should plan to stay with you during the class.
4. After you have passed the class and the written test, you will receive your license to ride!

If you or your parents have questions about the program, you may call us at 538-RIDE (538-7433) from within the Salt Lake City area or at 1-800-OHV-RIDE (1-800-648-7433) from anywhere else in the state.

Thanks again for your interest in snowmobiling in Utah! We look forward to having you in our classes.

Sincerely,

Eric Stucki
OHV Education Specialist

Snowmobile Education Class Registration
 Make checks payable to: Utah State Parks OHV Education,
 1594 West North Temple, Suite 116
 Salt Lake City, Utah 84114-6001
1-800-OHV-RIDE or Fax to: 1-801-538-4802

Please list the names of all children in the same household who need training. Training is required for young operators 8 years old or older who do not have a valid drivers license. Each student will have up to one year, from the date their registration is received, to complete the course.
